Hi Julie, thanks for the note.

Marc, OK with me for others to join if there is enough space... Should space not be available for the folks they can always participate by WEBEX. T...

The Water Board would like to have a couple more people join the meeting in-person. Is there meeting space to add two more in-person participants?

Thanks,

Julie

Good morning Julie,

Our "consultants" from OEHHA would like to attend the meeting tomorrow in person rather than by phone. We would like them to come if it is OK with you and ARCO? If you can let me know this morning I will let them know.

Thanks!

Hi Cathe,

Jim and I were thinking we could go to the meeting tomorrow on 27th in person, if it is Rancho Cordova. Would that be OK you and the host?

It's just hard to hear sometimes over a conference phone.

I left you a phone message too.

Thanks!

Amanda
